CAREER OBJECTIVE

As a Computer Science graduate with a solid foundation in web development and problem-solving, eager to apply my skills in a dynamic and growth-oriented environment. Proficient in languages such as Javascript, Reactjs, Java and experienced in agile development through academic projects and internships. Looking for an entry level developer role where I can contribute to innovative project, to enhance my technical knowledge and grow with a team dedicated to creating a project.

OJT/INTERN EXPERIENCE

Shoppable Business **September 24, 2024- January 06, 2025**
IT Developer

- Learn about Rust
- Learn about Temple - Temple was originally created by our head developer, and help her in developing it further.
- Create test coverage for Types, Ideas, and Inquiries - both of which are personal projects of our head developer.

PERSONAL PROJECT

Recweb – Filipino Recipe Website **May 25, 2023 – May 31, 2023**
Link: <https://rheillyaguilar.github.io/Recweb/>
Front – End Developer

- Develop and maintain the frontend of Recweb using HTML, CSS, and JavaScript.
- Design a responsive layout to ensure optimal viewing experience across different devices (desktop, tablet, mobile).
- Use CSS styling to create an aesthetically pleasing interface with attention to detail in terms of typography, color schemes, and layout.

Mobi – Movie and TV Show Trending Website **August 28, 2023 - September 14, 2023**
Link: <https://rheillyaguilar.github.io/Recweb/>
Front – End Developer

- Develop and maintain the Mobi website using React.js, ensuring a responsive and efficient user interface.
- Implement features that display trending or popular movies and TV shows in an engaging, visually appealing layout.
- Use Tailwind and CSS styling to create an aesthetically pleasing interface with attention to detail in terms of typography, color schemes, and layout.
- Integrate a video player for movie and TV show trailers, ensuring smooth playback and functionality.
- Create a search functionality that allows users to search for specific titles of movies or TV shows.
